A Brief breakdown
 on Shasta 93

Shasta meets of the past have grown out of a common link that has its origins in old Datsun cars. Our goal is to have fun, meet new friends, reminisce with old ones and share a camaraderie exclusive to Datsuns of a by-gone era. We cater to the young and the old. Kids are welcome and have a special rate for events. Under 5 free, 6-12 \$15/3 meals, 13-16 \$20/3 meals

The three meals included in the full registration package will all be catered by a catering company. The Friday supper is a Spaghetti feast with salad, garlic bread, coffee, and dessert.

Saturday breakfast is french toast, eggs, bacon, sausage, fruit salad, coffee, tea, milk, and juice.

Saturday night banquet menu has not been finalized.

The Show and Shine is open to all cars that wish to participate. There will be three stock classes for 510, 240 and the Sports. The modified competition will be all encompassing. Category distinction will be published. Judging criteria will be addressed in the registration program.

Only registered participants may run in the Auto-cross. Datsuns only are allowed to run in the Auto-cross.
